Dear Ms. Rubio:

On behalf of the Board of Directors of the Miami Book Fair International and the staff of the Florida Center for the Literary Arts, I would like to thank you for being part of the 2007 Book Fair. Once again a record number of book lovers, authors, exhibitors, journalists, corporate sponsors and publishing professionals gathered in Miami to celebrate the work of some of the best writers from around the world.

The 2007 Book Fair presented more than 450 authors and their newest works, and more than 250 exhibitors and their hundreds of thousands of books to a record number of fairgoers this year. In addition to the features that have become established parts of the book fair – Children's Alley, International Village, the Evenings With program, the Write Out Loud Café, and the Festival of Authors, the Book Fair launched a new component: The Translation Market. The audience was overwhelmingly receptive to the expanded program of readings, presentations, panel discussions and forums, and "standing room only" sessions were a common sight.

I am enclosing the final report on the 2007 Book Fair with this letter. This includes a comprehensive review of all of our marketing and promotion for the event, as well as samples and examples of materials including sponsor recognition. Please feel free to contact me if you have any questions or comments.

Preparations for the 2008 Book have already begun and we hope you will consider being part of our 25<sup>th</sup> Anniversary next year. The dates are set for Sunday, November 9 through Sunday, November 16, 2008.

Thank you again for your commitment and steadfast support of the Miami Book Fair International. Your generosity is gratefully appreciated, and we are proud to have had you as our partner this year.

Most sincerely,

*Elaine*

Dear Nelly,

On behalf of everyone at Casa Valentina, I would like to thank you and Neighbors 4 Neighbors for your generous support for our program. This letter acknowledges Neighbors 4 Neighbors' recent donation of \$500.00 as well as two \$100.00 Target gift cards and three Publix gift cards.

Casa Valentina is an innovative residential program that addresses the unique gender specific needs of young women who age out of foster care at age 18 without the life experience, financial stability and support they need to survive on their own. Facing numerous transitional challenges, they are vulnerable to prostitution, incarceration, pregnancy, domestic violence, sexual abuse and homelessness. Casa Valentina's mission is to provide these young women with safe, affordable housing and the support services they need to become successful, independent adults.

Your generosity makes it possible for us to plant strong roots in the community. It supports the growth and development of our organization and staff. It ensures the delivery of a high quality and effective program to our residents. It guarantees Casa Valentina's permanence in our community.

It is exciting to see what is possible when we work together to make the community a better place. We look forward to working with you and Neighbors 4 Neighbors this year. Thank you, again.

Sincerely,

Jennifer Gregory  
Special Projects Manager

*Thanks so much!*

(This letter acknowledges the receipt of a contribution from Neighbors 4 Neighbors in the amount of \$500.00. It also acknowledges the receipt of two \$100.00 Target gift cards and three Publix gift cards. Tax regulations require us to state that you received nothing for your donation except the knowledge that you are making a positive difference in the lives of deserving young women.)

Dear Ms. Rubio,

You may have saved a life today. You helped someone survive an emergency that he or she might not have survived without you. Maybe you know the person you helped, maybe you don't. That person or family may have been one of hundreds or thousands affected by disasters. Thanks to you, that person and others are now on the path to recovery.

This is what your American Red Cross of Greater Miami & The Keys in South Florida, and every Red Cross in the world does -- we help people. We are there for you when your world is turned upside down. Staff and volunteers help stabilize lives and comfort victims at their most vulnerable time.

Thank you for your help. Your gift of \$3,000.00 on January 2, 2008 means so much to your neighbors, and to the volunteers and staff who prepare and respond everyday. Your gift allows us to continue to deliver our humanitarian mission, everyday.

Thank you!

Sincerely,

Dear Nelly,

I want to thank you for your generosity. It's because of you that we have been able to respond to 691 incidents including 676 fires and helped 2417 individuals including 2527 for mass care for a total of 4944 families so far this year. You deserve special gratitude for your support over the years.

Last weekend, the Red Cross helped thirteen families that became homeless as a result of a fire. By giving the affected families food, shelter and clothing, the Red Cross offered not only help – but hope. That is your contribution hard at work.

You may not realize, the Red Cross also provides 24/7 communication access for military members and their families. The Services to the Armed Forces (SAF) program is uniquely equipped to provide exclusive worldwide communications and a support network that serves as a lifeline between service members and their families. The average cost to provide emergency communication is \$300 per soldier.

We provide our disaster services free to anyone in need. Regardless of economic times – we will be there to help. The Red Cross is not a government agency and must rely solely on donations. Your contribution means so much to us. Each \$1,000 will help us provide food, shelter and clothes to a needy family. You can make a difference. As a board member you understand during these difficult economic times, your gift means more now, than ever.

And with hurricane season upon us, please Make a Kit, Be Informed, and Make a Plan for you and your family!

Sincerely yours,

Dear Ms. Nelly Rubio,

As you know, the American Red Cross of Greater Miami & The Keys has a long and honorable tradition of responding whenever people in our community need us.

You have been an important and valued participant in our mission, Ms. Nelly Rubio.

Your past support has made a tremendous difference in the lives of people throughout Doral. In fact, it's safe to say that each time our chapter has been there for a person in need, you have been there too.

- You were there when we helped 782 families affected by 431 disasters last year with food, shelter, comfort and other assistance.
- You were there, providing swimming and life guarding instruction to 13,868 children and adults.
- You were there helping provide critical training in first aid, CPR, and other lifesaving skills to 10,819 individuals.
- You were there to help our diverse community overcome crisis in many ways -- whether it was consoling a family after a fire, linking a loved one with a family member overseas or assisting multiple families after an explosion or helping save a life from a CPR class, because of your support you can count on ARC Greater Miami & The Keys to help those in need.
- You were there to help over 468 youth learn lifesaving skills and training.
- You were there helping to teach and empower more than 6,605 people to prepare for and prevent disasters at home.

The list goes on and on. You have done so much to help the American Red Cross be there for our neighbors.

On behalf of the Miami-Dade County Equal Opportunity Board (EOB) and Housing Opportunities Project for Excellence, Inc. (HOPE, Inc) I would like to commend Ms. Ileana Varela for her gracious acceptance and exemplary performance as mistress of ceremonies for our 15<sup>th</sup> Annual Fair Housing Luncheon held April 25, 2008.

April 2008 marked the 40<sup>th</sup> Anniversary of the Federal Fair Housing Act. Therefore the luncheon theme was dedicated to housing discrimination issues. The success of the program was due in large measure to Ms. Varela's reputation as a well-known and respected communicator in our community.

Dear Shannon,

On behalf of the Sister to Sister Foundation and our founder, Irene Pollin, I would like to thank you for playing an active role in supporting the 2008 National Women's Healthy Heart Campaign. Your participation enables us to offer innovative heart-healthy information to women, helping them to change their lives and the lives of their families.

As you know, the Sister to Sister Foundation is dedicated to educating women about heart disease and encouraging them to make changes in their lifestyle to prevent or minimize their cardiac risk factors. We are thrilled to announce record numbers for our 2008 National Women's Heart Health Fairs... over 45,000 women attended and we screened 12,000 women. In addition, thousands of these women learned for the first time that they are at risk for heart disease. And because of the expert knowledge that you have shared through our presentations and programs, many of them will make constructive changes in their lives for improved cardiac health.

Your support of our work is extraordinary and goes far in our effort to save women's lives! On behalf of these women and all of us at Sister to Sister, thank you.

Sincerely,

Dear Lee,

Thank you for donating an auction item to support 'The BIG Event' on March 22, 2008 at the Doral Golf Resort & Spa. The BIG Event is our signature fundraising event and has become one of South Florida's hottest galas.

Our records reflect a donation of a LIVE IN THE STUDIO viewing of CBS 4 followed by dinner with CBS 4 News Anchor, Shannon Hori.

We thank you for your donation to help us reach our fundraising goals. We're not just a good cause, we're a good investment. A landmark study confirmed that children are more likely to excel and make better choices in their lives when they have experienced the power of a Big Brothers Big Sisters match. "Littles" are less likely to skip school and much less likely to start using illegal drugs. Our programs contribute to brighter futures, better schools, and stronger communities for all!

Thank you so much for your support of the Women of Tomorrow Mentor and Scholarship Program as we continue our mission of mentoring young women to make a difference in their futures.

Thanks in part to your generous donation of 2 Tickets to "The Late Show with David Letterman" to the Silent Auction at our Annual Gala, we were able to meet our goals this year. For Federal Income Tax Purposes, a charitable contribution deduction is limited to the excess, if any, of the contribution over the value of goods and services provided. You did not receive anything in exchange for your contribution.

Your support means so much to the hundreds of girls we mentor every year and the many scholarship recipients who are able to see a portion of their dream come true because of your generosity.

Best wishes always.

Dear Mr. Rodriguez:

Thank you very much for speaking to my Investigative Reporting class on April 9. They really enjoyed hearing from both you and Erica. I appreciate your time and your willingness to share your thoughts and experiences with my class.

It's especially important for our students to hear from media professionals who can provide them with a current perspective on the industry and how they may fit into it. Your comments about what skills they should be focusing on were very relevant and I think they got the message based on their comments afterwards.

Thanks very much for your time and insight. I really appreciate both.

Sincerely,

Dear Nelly,

As Co-Race Director of the Mercedes-Benz Corporate Run series, I would like to personally thank you for your ongoing commitment to sponsor the Miami and Ft. Lauderdale events, which benefit the Leukemia and Lymphoma Society of South Florida. CBS4/MY 33 has been a great media partner for the past four years and we look forward to more years to come. The TV spots that you produce and the in-kind airtime you provide are invaluable in helping us promote the events and our message of "health and fitness in the workplace." In addition, we always look forward to having one of your news personalities take time out of their busy schedule to help us with announcements on stage and we also appreciate the news coverage you provide us.

Thanks again and we look forward to working with you in 2009. We will mail you a copy of our 2008 Sponsors' Recap book as soon as we finish putting it together.

Dear Ms. Rubio:

I wanted to thank you so much for letting me have the backpacks from CBS4. As my mom told you, I am a Fourth Grader at University School in Davie, Florida. We are having a People Fair where you choose a significant person, research them, and write reports. I chose Katie Couric since she is a good role model for others. On May 21<sup>st</sup>, 2008, we will have the People Fair at school where every child in Fourth Grade is dressed like their person and has a booth where the rest of the students in the school can visit and learn more about their person. I will use the backpacks to hand out to the students who want to learn more about Katie Couric and the career of broadcasting.

Thank you so much for your help.

Mr. Zimmerman,

On May 2<sup>nd</sup> David Bernard came to The Herald to speak to the Florida Newspaper Business Continuity Group. This was our 5<sup>th</sup> Annual Hurricane Summit. The focus of the group is to share information and collaborate on contingency production plans in the event anyone's normal newspaper operations are interrupted by storm or other emergency. We had about 50 participants here, mostly from different parts of the state.

David was the highlight of the day. His presentation was outstanding and informative. People were fascinated by his analysis of historical hurricane trends, and questions were nonstop.

Thank you for making arrangements for David to speak.

Dear Katy:

On behalf of the Sister to Sister: Everyone Has A Heart Foundation, Inc., and the Miami organizers, we thank you again for being a sponsor of the 4<sup>th</sup> annual National Woman's Heart Day Campaign and Health Fair in Miami held on Friday, February 15, 2008, at the Miami Biscayne Bay Hotel (formerly the Radisson Hotel Miami). The health fair was a huge success. We received our share of praise for a job well done from numerous sources, including our co-chairs, community council members and the general public that attended. However, we would not have been as successful without your participation and the support of the community.

Please know that your contribution enables us to educate women about heart disease and encourage healthy lifestyles. Of the 2,400 people that attended our high-energy day filled with cooking and fitness demonstrations, educational speakers, exhibits, and giveaways, over 700 people also received free heart-health screenings.

Please find enclosed a Summary Report for the 2008 Campaign. If you need any other materials or information for your files regarding this past year's Campaign and event, please let me know. It is our intention to continue the Campaign and increase the awareness of women's heart disease throughout the year, culminating with two months of intensive advertising and promotion leading up to Women's Heart Health Fair, once again, in February of 2009. Tentative dates for the Executive Women's Breakfast and Health Fair are Friday, November 16, 2008 and Friday, February 13, 2009, respectively. We look forward to your continued involvement and support of this worthwhile cause.

On behalf of our entire staff and volunteers that worked on this Campaign and Health Fair, thank you again for your contribution and participation this year.

Sincerely,

Allen S. Furst  
Miami Campaign Manager

Thanks for your on-going support. Please share this with Nelly.
